

Thad's Thoughts

Rory McIlroy is a professional golfer who has certainly seen his share of ups and downs around the golf course. On the up side, he won three of the four major tournaments before he was twenty five years old. On the down side, he slumped into an eleven year dry spell after that. Year after year he came so close to winning that elusive fourth major only to fall short time and again. The elusive fourth major was of course, The Masters. However, in 2025 Rory McIlroy finally conquered his goal by winning The Masters. He became one of only six golfers to ever win a career "Grand Slam." This year, he topped himself by winning a second green jacket in as many years. By accomplishing that feat, he became one of only four men to do the same. Over the past eleven years, Rory McIlroy felt defeat to the point of almost walking away from the sport that he loves so deeply. However, by remaining patient and sticking with his dream of winning the career grand slam he overcame the obstacles and reached enormous highs. Have you ever been defeated by life?

Anyone who reaches the top of the ladder, no matter what that ladder might be, has had to endure defeat. No one gets to the top unscathed, and those who reach the top know that it was those very scars that helped them to grow and mature.

Isaiah 40:31 says, "Those who wait upon the Lord will renew their strength. They will mount up with wings like eagles. They will run and not grow weary. They will walk and not faint." The top of the ladder of faith is actually the lowest rung. The higher we climb with the Lord, the deeper we grow in our faith, hope and trust. When life knocks us down or we get attacked by the enemy, we learn to hold even tighter to our Savior and allow him to renew our strength. Jesus is our only true Master, and if we wait patiently on him we will accomplish our goal of heaven. There is no higher high than to be with Jesus for eternity. Are you waiting patiently upon the Lord?
